Objectives

This program is designed for the practicing surgeon. It is meant to provide an update in the various disciplines of surgery with application to daily practice, and to enhance the knowledge of the participant in these areas. The program is intended to meet the needs of surgeons in clinical practice for up to date information on the latest techniques in general and specialty surgical areas and to provide a means for surgical students and researchers to report the results of their research.

CONTINUING MEDICAL EDUCATION CREDIT INFORMATION

What are mandate credits?

Institutions accredited or verified by the ACS must require their staff to earn credits in applicable content areas (Bariatric (MBS), Breast (BST), Cancer (C), Pediatric Surgery (PEDS), and Trauma (T) in order to meet compliance and site survey requirements.

ONE | CME Evaluation

- The CME Evaluation is available online only
- Visit the Louisiana ACS web site – www.laacs.org
- Click on the Annual Meeting Tab
- Under About find the CME Evaluation link to complete the evaluation
- Complete the online evaluation by Monday, February 18, 2019.

STEP TWO | Self-Assessment Exams (optional)

- Each exam will be posted on the Chapter web site (follow directions above)
- You may elect to take all, part or none of the self-assessment exam.
- A passing score of 75% or higher is required to receive self-assessment credit for a portion of the meeting. Upon submitting your answers, you will immediately find out if you passed or failed, and which questions were answered incorrectly.
- You may take an exam an unlimited number of times.
- All Self-Assessment Exams must be completed within 10 days of the Annual Meeting
- Each exam must be completed by Wednesday, January 30, 2019 to receive Self-Assessment Credits.

STEP THREE | CME Certificate

- ACS Members' CME Certificates for the activity will be available on their MyCME page, under the "Transcript" option after logging into the <https://cmeapps.facs.org/cme/mycme/home>.
- This will be available in 4-6 weeks after the meeting.
- Non-ACS members will receive their CME certificate by email no later than Wednesday, January 30, 2019.
- Please direct any additional credit claiming requests or questions to MyCME@facs.org.

Use MyCME to manage your CME credit at your convenience

The ACS Division of Education is committed to helping you organize, track, and submit your continuing medical education (CME) credit. Take advantage of this resource to manage your CME credit at your convenience.

Please direct any additional credit claiming requests or questions to MyCME@facs.org.

2018 ACS Commission on Cancer Paper Competition – 1st Place Winner

The Commission on Cancer, a program of the American College of Surgeons, held a paper competition in 2018. We are pleased to announce that Dr. Helmi Khadra from Tulane School of Medicine won first place in the competition. His winning abstract will be presented on Sunday morning during our Annual Meeting. The title is "Re-examining the Incidence of GI Malignancy among Solid Organ Transplant Recipients".
