LOUISIANA CHAPTER ACS 73RD ANNUAL MEETING

APRIL 4-6, 2025

HILTON NEW ORLEANS RIVERSIDE NEW ORLEANS, LA

CME

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn credit toward the CME requirements of the American Board of Surgery's Continuous Certification program.

PROGRAM OBJECTIVES

The Louisiana Chapter ACS Annual Meeting will provide up-to-date information for community surgeons, academic surgeons, and the surgeon in training. Topics will cover a broad range of surgical practice interests including updates and advances in trauma and acute care, surgical oncology, general surgery, education, vascular surgery, pediatric surgery, and surgical endocrinology. The intent of the program is to improve the quality of patient care and improve patient safety.

DISCLOSURE INFORMATION

In accordance with the ACCME Accreditation Criteria, the American College of Surgeons must ensure that anyone in a position to control the content of the educational activity (planners and speakers/authors/discussants/moderators) has disclosed all financial relationships with any commercial interest (termed by the ACCME as "ineligible companies", defined below) held in the last 24 months (see below for definitions). Please note that first authors were required to collect and submit disclosure information on behalf all other authors/contributors, if applicable.

Ineligible Company: The ACCME defines an "ineligible company" as any entity producing, marketing, re-selling, or distributing health care goods or services used on or consumed by patients. Providers of clinical services directly to patients are NOT included in this definition.

Financial Relationships: Relationships in which the individual benefits by receiving a salary, royalty, intellectual property rights, consulting fee, honoraria, ownership interest (e.g., stocks, stock options or other ownership interest, excluding diversified mutual funds), or other financial benefit. Financial benefits are usually associated with roles such as employment, management position, independent contractor (including contracted research), consulting, speaking and teaching, membership on advisory committees or review panels, board membership, and other activities from which remuneration is received, or expected.

Conflict of Interest: Circumstances create a conflict of interest when an individual has an opportunity to affect CME content about products or services of an ineligible company with which he/she has a financial relationship.

CME EVALUATION AND CERTIFICATES

- Please complete the online evaluation form to claim your total CME credits for the Louisiana Chapter ACS Annual Meeting. Please complete the evaluation form by **Sunday, May 4, 2025**.
- Have your ACS ID ready.
- Certificates will be emailed on **Wednesday, May 7, 2025** if requested.
- Visit the **LA-ACS website** to complete the evaluation or scan **QR code**.
